

NORTHERN VIRGINIA GUN CLUB

Affiliated with the National Rifle Association of America

Newsletter for March, 2005 - Volume 46, No 5

Notes from the President:

The Annual Club Dinner and meeting was held on Saturday February 19th at the Quantico Officers Club with more than 40 in attendance. Our guest speaker was Retired Major Jim Land, Executive Secretary of the NRA, who spoke on his vast experience and knowledge from his distinguished career in the US Marine Corp. Major Land was very instrumental in developing the Marine Corp Scout Sniper program during the Vietnam era and establishing the Scout/Sniper School at Quantico. Mr. Land brought some rare exhibits to show and talk about. It was very impressive. I would like to thank our dinner chairman, Fred Kolbrener for all the hard work he put into making this an outstanding event two years in a row. The EC is currently looking for a volunteer to coordinate and begin to make arrangements for next year's annual club dinner. Please contact an EC member if you are interested.

I ask the membership to review the proposed 2005-2006 annual budget contained in this issue. The membership will vote on it at the April club meeting.

Work is still continuing to breakup the beaver dams and reduce the damage from flooding caused by the beaver population on the lower ranges at the facility.

The membership has officially adopted a new club logo in Silver/Blue color version and a Black & White version, which is described further in the club logo committee report. The EC is moving forward to acquire and erect 2 large signs along the road frontage using the newly adopted Silver/Blue color version of the club logo.

There is much maintenance work to be done on the ranges and facility, so I encourage all members to participate, as they are able, in these efforts. Once construction begins, we will be looking for members to come out and help with completing the new tractor garage as quickly as possible.

As always, I would like to stress the importance of safety by all members and their guests while on the facility property.

John LoBuglio
President

Club Logo Committee:

The membership voted to adopt the new Club Logo in both a color version as Silver/Blue and a Black & White version, as listed below, by a motion at the Annual Club Dinner meeting in February. Unfortunately, only the electronic newsletter will show the color version which is listed below, while only the Black & White version is contained on the printed edition below. The membership has provided an overwhelming positive response and we are moving forward to acquire road frontage signs and promotional items for the membership. Thank you all for your patience, it has taken much longer than was first anticipated.

The logos are shown below. (For those who get the paper copy both are in B & W, but the right image is the Silver/Blue version.)

John LoBuglio
Logo Design Chairman

February Benchrest Match:

The February match for the .22 RF shooters was the best so far. A total of 10 shooters were there and a lot good scores were posted. Weather was a little brisk but not all that uncomfortable. Winds were down which always helps. Hope to see everyone in March. (editor's note: see the results at the end of the newsletter!)

Perry Fridley
Benchrest chairman

Shotgun Notes:

We are just beginning our 2005 competition season. We had a really good NSSA Skeet Match with 18 shooters on February 26 and 27. 13 registered their scores and five more joined in on the fun. Clear and cold, but nice shooting and great looking targets (see pic below). Club members Jason Falbe and Jon Yagla kept the outsiders honest with some really good performances. The winner was Cyrus Hutchings, who posted a 96 in doubles from all stations and a fine 98 in the 20 ga. event. Yagla and Dave Howard finished with 94's, and shot off for second place, with Yagla winning it in the first set. The 28 ga. event was deadlocked with 95's by our own Jason Falbe and Vern Lucas. Falbe fizzled and Lucas won all the marbles. Nobody even came close to Yagla's 95 with the .410, which probably would have won a pretty big match anywhere on the East Coast under the prevailing conditions. Everyone enjoyed Bob and Pricilla King's New Orleans Jambalya.

Best thanks to Bob King and Tim Yagla for two long days of referee duty. Poor Bob couldn't swing his new gun due to a back spasm, and Tim just loves a good shoot, pulling triggers or keeping things running smoothly. We have ATA and NSSA matches coming up every few weeks from now on through the summer. Come on out and practice and enter the matches, too!

John Yagla,
Shotgun Chairman

Email List: NVGC-subscribe@yahoogroups.com Web Page: www.nvgc.org

As you may be aware our membership secretary is leaving the area. Before he leaves, he is trying to sell some of his "extra" possessions. Here is a list he wanted to offer:

2003 17.5ft Tracker Marine Pro Crappie fishing boat w/ 40HP Mercury with Power Trim/tilt, Stainless Prop, Lorange GPS/Fish Finder, Eagle bow mounted Fish finder, Galvanized trailer with folding tongue, Spare tire w/ Galvanized rim, On-Board Battery Charger. Less than 50 hours on the engine. A steal at \$7995.

15 Ft. Ladder Stand by Summit two years old \$50.

New Never Used Summit Climbing Tree Stand rated to 325 lbs. paid \$225 asking \$100

MTD Lawn Tractor 18 HP engine with 46 in cutting deck, also have a snow blade, tire chains, combination airator/fertilizer, and dethatching unit. Just put new tires on it and new battery. All for \$800.

Technics SA-GX490 AV Contorl and Stero Receiver Dolby 5.0 Pro Logic surround sound and speakers. \$125.

Homelite LR4400 4400Watt generator for those times when you wish the lights would stay on. Has about 10 hours of use on the unit. paid \$750 new last year. Will take \$500.

72x30 pecan vaneered computer table with locking wheels good condition \$50.

Sorry but no guns for sale. I promised the boys I would keep them to pass on as cheap as they may be.

If you interested drop email me at arelgp@yahoo.com or call me @ 540-775-9998

Jerry Arel

NVGC 2005 Calendar

Date	Time	Event
11-13 March	Friday PM to Sun	Boy Scout Shooting Camp (Bill Howard)

XO's Page:

Special Announcement:

A firearm was found at the club the day after Christmas. If it is yours call Jackie Huffstickler (540) 408-2151 with a description to redeem it.

Items for the 19 March work day:

Shotgun:

Start on safety barrier extending from the middle skeet house. Jon will have the posts there. We have one posthole digger if some one can bring another it would go faster.

We need a new target door frame on skeet house no. 1. Jon will have materials. Bring hammers.

Chain saw work to clear brush forward of shotgun ranges.

CAS:

Tim, I want to go over the range with you I don't understand your requests.

Camping:

We need to clear some saplings from the new camping area. So we will need one or two chainsaws for this as well.

Rifle range:

If we don't get to it before we need to break up the beaver dam again.

Hunting:

Pistol Range:

The step has a broken tread. It needs to be replaced.

If time permits we can mow one or two of the proposed new feed plots.

Joe Primerano
