Affiliated with National Rifle Association of America

Newsletter for August, 2005 - Volume 46, No 10

Notes from the President:

The gate lock combination will be changed at the August workparty on Saturday August 20th. If you haven't received your new membership card containing the new combination number, please contact the membership secretary. This is also a reminder to those who have not responded to the first membership renewal notice sent out by the membership secretary. Sending out additional notices causes an increased workload on the membership secretary and additional mailing cost to the club. Also, it has been brought to my attention that the gate combination lock has been left in the open position to the combination number while the gate is open. Please spin the numerals after opening so that someone who is not a member can see the combination number and also that the lock combination can not be tampered with.

Gene Hodgson is making progress on the new tractor shed. The concrete floor was poured in late July on a day when the temp reached ~ 100 degrees. He had about 20 volunteers come out to help. I would like to thank on behalf of Gene and the entire EC, all who came out to help. There is still plenty of work ahead before the new tractor and storage shed is completed and to work on the ranges and the facility. I ask all members who can lend a hand, to please contact Gene at (540) 663-3816 or e-mail at ehodgson@verizon.com.

Karl Ehrlich has retired and moved to the Southwest. Karl wrote that he sent back his shares to NVSF for redemption. The proceeds from 5 shares will be paid to the club as a gift. I'd like to thank Karl Ehrlich for his generous donation to the club. Karl has been a very active member in club affairs and will be missed. Karl passes along his best to everyone since he moved to Arizona. I'm including Karl's address, e-mail and phone number in case anyone would like to contact him.

The club is looking for a new Hi-Power Chairman and Club Promotional Items Manager. If anyone is interested, please contact me.

Again, the club has a new official website site at: northernviriniagunclub.org. Anthony Gimmellie is the Webmaster of the new website. Please visit this site at your convenience.

Many thanks to all those who contribute volunteer efforts. Without you, we would not be able to function and provide services to our members. A few thoughts I've collected to share about volunteers: "A volunteer is a person who is willing to give in a thankless world, a person who is faithful to his brethren in an ungrateful world, a person who is listening to the needs of others when others tell about their problems, a person who is unselfish and willing to contribute to do something about the needs of others when many are grasping for their own gratification." Many thanks go out to all those unnamed volunteers. Your efforts do make a difference and without you the organization could not survive.

As always, I would like to stress the importance of safety by all members and their guests while on the facility property. During these hot summer days, be careful of dehydration while outdoors and drink plenty of water.

John LoBuglio
President

August Membership Report:

Notice for dues: By now everyone should have received their notice for dues for the current year July 1, 2005 to 30 June 2006. Dues were due July 1. Cards have been mailed and if you have sent in your check by the 1st of August, you should have your card. If you have paid your dues and have not received your card CALL ME (540)775-0210 or E-mail me [darryl.breitenstein@ieee.org] and I will try to figure what went wrong. To date about 10% of our members are in arrears and will not get the new combination which will be in effect on AUGUST 20!

There are two prospective members:

Thomas Wilkes sponsored by Dennis McCauley and Thomas John sponsored by Joe Cattivera.

If anyone has any issues with either of the prospective members please contact the membership chairman or any club officer with your concerns.

Join me in welcoming the newest Club members: Chuck Boyer, Donald Swan, Bryan Jones and Carl Quann.

Next month Mark Varney will be assuming the duties of membership secretary. I will be working with Mark until he has had a chance to get situated. However, if you are sponsoring a prospective member, you should help with getting the most recent application (available through the web-site or through the officers) and make sure the prospective member comes to our monthly meeting on the third Saturday of the month to turn in the application, work at their first work party, bring a firearm and have their range safety check and turn in their application and check for their prorated dues and initiation fee. We have had several applications without the range safety check. Prospective members WILL NOT get their membership card until their range safety check is turned into the membership secretary.

Darryl Breitenstein
Acting Membership Secretary

Work projects for August:

Using the DR along the road to push back the saplings, along the archery main trail and station lanes and the areas in front of the skeet and trap houses where the tractor can not mow.

Trimming the trees along the road and by the picnic roof, rifle cover and pistol cover.

I bought some RoundUP for us and will bring my sprayer to kill the grass growing in the parking lot.

Fix the door on the skinning shed.

Clean out drainage ditch next to picnic shelter. Smooth dirt around picnic shelter where Gene excavated it with backhoe and sweep picnic shelter.

Cut down marked trees around picnic area and old tractor shed.

Lay final row of block for new garage. Back fill around garage foundation and plant grass seed.

Trim in front of the 3 signs on Rte 218 with weedwhackers.

Paint "Stay Dry" cement based paint on inside of trap house, Fix lock on No. 3 High house, and do PM on the trap and skeet machines.

Smooth out topsoil, seed, fert, cover with straw

Club Logo Promotional Items:

Club logo promotional items will be on sale at the monthly meeting. There are Polo shirts, T-shirts and hats with the new club logo. Polo shirts (with pockets) are \$27; T-shirts (with pockets) are \$15; and hats are \$9. We have mesh backed hats for the summer weather. Orders for special sizes and items on a future order will be taken. Please call me, John LoBuglio at (540) 644-9999 if you are interested in a specific size or color that we have in stock.

Special Request:

The Club is looking for several lengths of garden hose. If you have an older garden hose that is still serviceable, please drop it off at the picnic area. Thanks.

Stock Registrar Notes:

All shares for 2005 have been distributed. If you have purchased and not received your shares please contact the Registrar, Jon Yagla.

Garage Update:

The concrete pour went very well, thanks to all the members that showed up to help. That includes some of the members' kids that were put to work also.

A special thanks to Joe Primerano for driving all the way to Spotsylvania to pick up a bull float which was a critical item that saved us a lot of work.

Also the Huffsticklers, for bringing another bull float that was put to use by Jon Yagla.

The use of the bull float enabled us to bypass hand trowling, which would have been a lot more work.

The members that came out to help were:

Gary Tacke, Cliff Byrum, Jon Yagla, Brian Hodgson, Mark Dillick, Shawn Palivoda, Joe Primerano, Udo Goff, Jason Falbe, John Klochak, Scott Armstrong, Andy Huffstickler, Jack Huffstickler & Son, Sam Huffstickler, Bob King, Ernie Jones, John Gilmer & Daughter, Seth Rinaldi, and Gene Hodgson

Some members came earlier than others, some worked harder than others, but we spelled each other when someone got tired and needed a break. If

19 members had not shown up to support the job, it would have a lot tougher than it was. Luckily too, we were working mostly in the shade.

That helped mitigate the almost 100 degree heat. The concrete came on time at 3:30, and we covered the floor with a plastic sheet at 6:30

Again, thank you all. If I missed someone that came out to help, please let me know so I can make sure you get work day credits.

Gene Hodgson

Shotgun News:

We are in the meat of the shotgun competition season. Our shooters are posting some great scores at big shoots around the country. Jeff Jones broke a 96 to win the 24-25 group and lots of money in the Federal Handicap trap match at the Virginia state championships in Winchester. Jon Yagla had a 195 in the 16 yard singles championship, but lost a shootoff to Art Boddell. Yagla backed it up with a 97 in handicap at Winchester in the August shoot, moving him back to 24.5 yards. Frank Baker, one of our scattergunners from across the river, stormed through the Maryland state shoot. After struggling for two seasons at handicap, came out with his hair on fire to post a 98 to tie for first place in the Clint Clayton Handicap. He followed with a 197 in the Maryland singles championship. The shoot off with one Maryland's leading shooters went two boxes of shells, with Frank having to settle for runner up. Frank won High All Around in B, taking three big trophies altogether.

Our July monthly club match drew in a dozen competitors. The temperatures and the scores were about the same. Highlights: Mike Thompson and Yagla finished singles one target behind Robert Hayden from Tappahannock (98). JD Stamper from Tappahannock won the handicap with 91. The scores went back up for doubles, with Yagla, 97, over Robert Hayden, 96. Ernie Jones had a fine 95 in C, over Chip King, 94.
